Grad Gowns
Grad Gowns will be picked up at the Wellness Centre following grad rehearsal on the morning of graduation. Gowns must be returned immediately following graduation ceremony.

Transcripts
Grads do not need to request final transcripts. Three transcripts will be included in the envelope you will receive when you return your gown graduation night.

Books & Fees Owing
Students must have all books, calculators etc returned to their subject teacher by the date of their exam. If there is no exam written, students must return these items to their subject teacher by Tuesday, June 18th.

After this date, students, who have not returned outstanding items, will be required to pay the cost of replacement (ie. graphing calculator replacement cost is $108).

June 18th is also the deadline to pay outstanding fees (student, athletic, grad, lost books etc.). Note: ALL students are required to pay a student fee. This fee is used for a variety of student activities throughout the school year and is not a locker fee. Lockers are issued to every student free of charge.

Fees & replacement costs can be paid in the main office with cash, cheque or debit. Credit Cards are not accepted.

Lieutenant Governor’s Education Medal
Congratulations to Allie Sandluck and Chloe Stewart who recently received the 2019 Lieutenant Governor’s Education Medal at a ceremony in Port Hawkesbury. The medals are administered by the Department of Education and Early Childhood Development. Grade 11 students are nominated by their school based on academic performance and qualities of leadership and service demonstrated in their school and community.

Safe Grad - 5:30 to 10:00 pm
Begins at Heather Bowling Lanes

**June 24th**
Grand March - 7:15 pm
Students line up at the English Pod Entrance at 7:00 pm

Prom - 8:00 to 11:00 pm
Doors close at 8:30 pm

**June 26th**
Grad List Posted - 8:00 am
Grad Breakfast - 8:30 am
Rehearsal (Wellness Centre) - 10:00 am
Graduation Ceremony (Wellness Centre) - 7:00 pm
Grads must arrive at the Pictou Co. Wellness Centre by 6:30 pm.
A Busy Month in CEP
25th Skills Canada National Competition

NNEC students participated in this year’s Skills Canada National Competition School Tour, in Halifax, on May 28 and 29. The Skills Canada National Competition (SCNC) is the only national, multi-trade and technology competition for students and apprentices in the country.

Our students experienced Try-A-Trade® and Technology activities and experiential learning in addition to viewing over 500 competitors from across Canada in over 40 trade and technology skill competitions. By providing a forum where Canadians can compete at the national level, SCNC provides hands-on work experience related to skilled trade and technology careers.

Each school who participates Try-A-Trade® has a chance to win up to $10,000 in DeWalt Stanley Black and Decker tools for their school’s trade or technology workspace.

Building a Timber Frame
CEP building systems students, alongside teacher Mr Parsons and supportive community members, raised a timber frame structure they made this year. Teamwork, problem solving and learning by doing! Special thanks to Rob Muir of Landing Cranes who donated his time and expertise to help us with this project.

CEP Students of the Month
Congratulations to Hayley Quinn (Food Studies), Eagen Kinney (Building), and Kameron Gameau (Auto)! They were each recognized as the Student of the Month for their positive contributions in their respective shops.

Citizenship 9 Classes
As part of the service learning requirement Citizenship 9 recently had a chance to experience a wide variety of projects dedicated to service learning.

Creative Visual Arts projects from Ms. Wilkinson’s classes.

Meet Kesteal Lonergan
Kesteal is one of our student artists who has their artwork on display in the main office. This art wall is constantly changing and highlights a variety of art created by our many talented students. Great work, Kesteal!

A Visit to the Funny Faces Trail
The Gryphon’s Den group had a great day hiking and building shelters at the Funny Faces Trail in Pictou Landing. Great job, Gryphons!

Kyoto Gakeun School Visitors

NNEC recently welcomed students from Kyoto Gakeun School in Japan. For the 2nd year in a row, these students were each paired with an NNEC student to attend classes and experience school life at NNEC.

Throughout the week, they also did a variety of activities such as a hiking trip to Victoria Park, a visit to Sugar Moon & the Shubenacadie Wildlife Park. Pictured here are our visiting students preparing for their mountain biking adventure with Mr. Hampton & Mr. Arbuckle. Thanks to both teachers for offering this experience to our guests.

Gender & Sexuality Alliance

Our GSA recently gathered for a Bob Ross painting party. These photos show some of the student artwork that was created. Remember … “There are no mistakes—only happy little accidents”.

June 3rd to 7th marks PRIDE Week at NNEC. Here are the activities planned for the week:

**Monday, June 3rd**
- Flag raising 9:05am
- Candy Gram sale at lunch

**Tuesday, June 4th**
- Song of the day contest (am announcements)
- Face painting & Candy Gram sale at lunch

**Wednesday, June 5th**
- Song of the day contest (am announcements)
- Decorate the Pride banner during lunch (foyer)

**Thursday, June 6th**
- Song of the day contest (am announcements)
- Pride walk during lunch

**Friday, June 7th**
- Song of the day contest (am announcements)
- Pride games (1/2 gym) lunch
- Delivery of candy grams

First Nations Leadership

First Nations Leadership Students from NNEC had a tour of Unama’ki College and Cape Breton University. They met various professors, staff members and learned about the cultural and academic supports available to students. Campus elder, Lawrence Wells, spent the morning with the students sharing stories, cultural perspectives on educational experiences, and a special visit to the Chanie Wenjack room.

While visiting the Membertou First Nation, they stopped to check out a very moving missing and murdered Indigenous women display in Potlotek and visited the Membertou Heritage Centre.

NSCC Pictou Campus Still Has Openings

NSCC-Pictou Campus hosting an information session Thursday, June 6, from 6:30 pm until 8:00 pm to answer your questions and an opportunity to tour the Campus. There are still openings in many of their programs. Go to www.nscc.ca and click on Admissions, then click on Combining College and University to explore all the options we have established for you.

Many of these programs have high employment rates and some have more jobs than graduates.

School of Business
- Business Administration (2 year), which enjoys credit agreements with universities. These 2 years can be applied against 2 years of a Business Degree at most NS Universities. Many of students graduate from here then proceed to university and obtain their degrees.

Trade and Technology
- Cabinetmaking (1 year) focuses on finished carpentry skills such as building cabinets & kitchen cupboards.
- Machining (2 year) students learn to make items from metal and features Computer Numerically Controlled (CNC) Machining for those who like to apply computer skills to the trade.
- Electronic Engineering Technician also features state-of-the-art technology and focuses on wireless communication. At least a Grade 12 academic math is necessary for this program.
- Welding Inspection & Quality Control is the only one of its kind in Eastern Canada.

Access Program
- Academic and Career Connections is for those who are still unsure as to what career they want to pursue or are aware but do not have the necessary academic courses to enter a program. Students can enroll to take the missing components.

Please come to the Campus for a chat. Post-secondary opportunity awaits at an affordable price. You can contact the campus at 755-7299 or 752-2002, 8:00 am to 4:30 pm, Monday to Friday. The campus is open all summer.

2019-20 Schedule Pick-up Dates

*August 27th*  
Grade 9 - 9:00 to 11:30 am  
Grade 10 - 12:30 to 3:00 pm

*August 28th*  
Grade 11 - 9:00 to 11:30 am  
Grade 12 - 12:30 to 3:00 pm

*September 9th*  
Returning Grads 9:00 am
